

MINNESOTA CHILDREN'S MUSEUM

Exciting changes are coming to the museum. We're building a bigger, better and bolder museum featuring 10 brand-new exhibits, a 4-story climbing adventure, cafe with coffee bar, extra elevator and bathrooms, and more! Families will play, explore and learn together like never before. It's a bold new museum, powered by play!

**Note: St. Paul will close Dec. 5; ALL-NEW museum opens April 2017. MOA site closes mid-April 2017.*
